## Term 6 - Journeys!!

We hope you have had a good first week back of the final term of the year. We have loved seeing more of your work already and how much you have embraced our whole school topic of Journeys. School is starting to look a little different and over the next few weeks more children will start to come back. All our home learning links will continue so all of you will be doing the same learning whether you are at home or school. This week we will also be asking you and your parents to write about your learning to add to your teacher's comments for your reports.

We will carry on this journey together, getting ready for all the changes ahead. Exciting times!!

Please continue to send all your wonderful pictures or reports to share in our news to the email below as well as the work going to your teachers:

## Weekly Challenge

Make a list of five things that you would change if you were prime minister. What improvements would you make in the cities, the countryside and at the sea-side?

What would you allow or not allow people to do? How would you help people who were in need? Draw or write your ideas and present your ideas to the people in your household.

You could send in some photos to:

## Fantastic Fact!

It only takes about 30 seconds to count to 100, but would take about 1 month to count to one million! If you carried on to one billion, it would take you over 100 years!

# Letter from Mrs Fricker

Dear Children,

We have been busy thinking about our journey so far over the last months and beginning a new time of change in school. We know that lots of you will still be learning at home for a bit longer, but in school we are getting ready to safely welcome back some more children and hoping that we can have even more of you in school soon. For those who can't come back, we are proud of the journey you have been on to become successful learners at home. We are making plans to help you get ready for any other changes that may come, either your coming back to new pods in school this summer, or new classes in Autumn. We know that change can sometimes be tricky, but like Plop in 'The Owl Who was Afraid of the Dark' found out, change can also be exciting. We're excited to see more of you soon. Thinking of you all.

Love Mrs Fricker
